

Cancelation Policy

What if it rains, it's too hot, or we are going away for a week? I already pre-paid, so will I miss out on lessons?

Those are great questions and I am so glad you asked. At Monarch Farms we believe that being an equestrian is more than just spending time in the saddle. We want to ensure that you or your child has a well-rounded knowledge of your horse and how to care for them.

- If you need to cancel due to the weather, there is no need! We have lesson plans on horse care and groundwork that we will work on if the weather does not allow for the regularly scheduled riding.
- If you are going to be away on vacation for a week, no need to worry! We have an extra week built into our lesson packages to accommodate for make-up lessons.
- If you need to cancel please give **at least** 24 hours' notice so that we may discuss options for rectifying the missed lesson, if you do not unfortunately we will not be able to accommodate a make-up lesson or reimbursement.
